TO WHOM IT MAY CONCERN

ACE refrigeration worked very closely with us on the design and build of our new £2m Seafood Factory, introducing us to both the Architect and Main Contractor for the site and ensuring our business needs were at the forefront of the design. We found them very knowledgeable, experienced and reliable and they delivered the project on time and within budget. I would have no hesitation in recommending them for other similar large projects.

Your's Faithfully

Robert D. Mac Nab
Financial Director
